

Brivo Access Enterprise

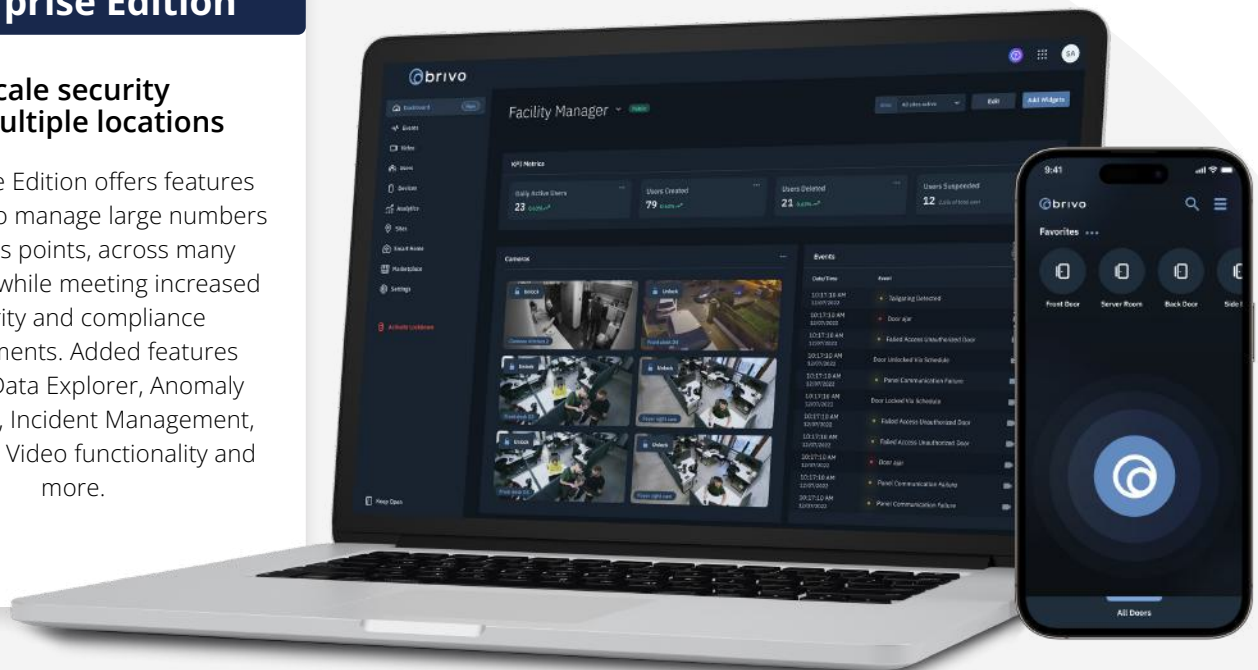

Cloud-based security technology built for large organizations

WITH ROBUST DATA, STREAMLINED WORKFLOWS, AND POWERFUL SECURITY, YOU CAN PROTECT YOUR PEOPLE, PROPERTY AND REPUTATION

Enterprise Edition

Scale security for multiple locations

Enterprise Edition offers features designed to manage large numbers of access points, across many locations, while meeting increased security and compliance requirements. Added features include Data Explorer, Anomaly Detection, Incident Management, Enhanced Video functionality and more.

Enterprise Edition delivers a smarter and more powerful way to manage multiple access points across your organization.
