

Employee Badge in Apple Wallet Available From Brivo

Get in Faster with iPhone & Apple Watch

Access your corporate space with your key in Apple Wallet—from doors and elevators to turnstiles and more. Just hold your iPhone or Apple Watch near the reader to unlock.

Access Instantly, with Your iPhone and Apple Watch

With your employee badge on your iPhone or Apple Watch, you can forget your physical one at home and still get into the office

- With Express Mode, you don't need to wake or unlock your iPhone or Apple Watch to use your employee badge in Apple Wallet
- Get in, even when your iPhone needs a charge. If your iPhone needs a charge, your employee badge in Apple Wallet will still work. Power Reserve provides up to five hours of access, so you can still get inside

Activating Employee Badges Have Never Been Easier

Employee badge in Apple Wallet on iPhone and Apple Watch seamlessly integrate into Brivo Access, and is easily managed by your staff. So getting started is quick and efficient.

Ease of Distribution: Stop printing physical keys

With employee badge in Apple Wallet, you can streamline key distribution and management across your entire organization

- Distribute employee badges remotely in just a few simple steps
- Deliver and store employee badge directly in Apple Wallet on an individual's iPhone

Privacy and Security of iPhone Built in

Employee badge in Apple Wallet takes full advantage of the privacy and security features built into iPhone and Apple Watch. Badges are stored on the device, which means Apple doesn't see the places your employees access, so data is private and secure.

If a user misplaces their iPhone or Apple Watch, they can use the Find My app to lock and help locate their device and suspend their key or remotely erase the device and its keys.
